Love love, love love, love love, love love

If I had to lie to you  
I wouldn't cause my heart is true  
And if I had to say goodbye  
I wouldn't because I just die

Show me that you love me babe  
Take me somewhere far away  
Tell me that you love me more  
Show me that we'll live forever more

And I won't let love pass me by  
Because I love you don't ask me why  
And cause you listen when I cry  
I close my eyes and count to ten  
And you'll be there

I love you man  
I love you man  
I love you man

Love love, love love, love love, love love

If I wrote a song for you  
I would sing the finest tunes  
If I had to make your day  
I'd wish all of your troubles away

Because I love you  
And cause I need you  
Tell me you love me  
Tell me you need me

Because I love you  
And cause I need you  
Tell me you love me  
Tell me you need me

And I won't let love pass me by  
Because I love you don't ask me why

And cause you listen when I cry  
I close my eyes and count to ten  
And you'll be there

I love you man  
I love you man  
I love you man
