Dookadoyo dum doyo dum
Dookadoyo dum doyo dum
Dookadoyo dum doyo dum

Just let me sleep for one more day
Make the demons go away
Please just help me help me

Rearrange me show me how
Cause I won't live forever now
Please just save me save me

Tell me how can I go on
Knowing what it is I've done
It just kills me kills me

Smile in the dark
Eyes watch from far
They know I'm here
Kiss me my fears
Will run in tears
I know they're here

Dookadoyo dum doyo dum
Dookadoyo dum doyo dum
Dookadoyo dum doyo dum

Chop and change me point out why
Why I can't just touch the sky
Yeah, these voices stop me

But if they weren't here
Nothing would be clear

Smile in the dark
Eyes watch from far
They know I'm here
Kiss me my fears
Will run in tears
I know they're here

Dookadoyo dum doyo dum
Dookadoyo dum doyo dum
Dookadoyo dum doyo dum

Tell me how can I go on
Knowing what it is I've done
It just kills me kills me
It just kills me kills me
It just kills me kills me
It just kills me kills me
