Yeah, yo, what up yo?  
Yeah, yeah, what up? Ha, ha, nothin', man  
Hold on someone beepin' on my other line and shit  
Fuck nigga I've seen everything I wanted to see

Come on son, yo in my Range Rover  
Runnin' out this muthafucka and shit  
I be there in ninety minutes, aight  
I make a stop aight, peace, one one

I'm up in the cherry range  
Drivin' fast through heavy rains  
My mind's on everything, my wiz  
My seed, the five pounds of weed  
My dog got bagged with tryin' to sling in DC

My cell phone rings off the hook, brrring  
Kinetic 9, yo what's the word, king?  
Duckin' lights BS and problems pushin' through Holland  
tunnel  
Tryin' to avoid getting caught up in the funnel  
'Cuz in the jungle, sometimes you gotta rumble with the  
beez

That's why we study degrees  
And keep our third eye open for C cypher punks  
Will bag you for a blunt and lock you up for a month  
You've seen bird, you had beef with that chump  
And I heard he came home from a two year slump

Yeah, I heard, I got the pump in the trunk  
And when I see that crab, I'm a dump in his lump  
'Cuz niggaz ain't shit but welfare cheese  
With their food stamp bitches and their coupon seeds

Frontin' with their platinum like they're O's and G's  
When faced with the gat, niggaz pose and freeze  
And melt like snow on my windshield, that windmills  
In my mind spin they give skin chills  
Yo son we gotta make them deals  
For ten mill's so we can pay them bills

You wanna eat how we wanna eat, live how we wanna  
live

Be what we wanna be, give what we wanna give  
Say what we wanna say, play how we wanna play  
Teach what we wanna teach, do what we gotta do

Eat how we wanna eat, live how we wanna live  
Be what we wanna be, give what we wanna give  
Say what we wanna say, play what we wanna play  
Teach what we gotta teach, lay where we wanna lay

Do what we gotta do, eat how we wanna eat  
Live how we gotta live, be what we wanna be  
Give what we gotta give, say what we wanna say  
Play anywhere we play, teach where we gotta reach

Do what we gotta do, lay where we wanna lay  
Stay where we wanna stay, pay who we wanna pay  
And get our record played on the radio  
Airwaves, without havin' to pay the fuckin' DJ

Say what you wanna say, do what you wanna do  
Eat how you wanna eat, be what you wanna be  
Live how you wanna live, give what you wanna give  
Play where you wanna play, stay where you wanna stay

Say what you wanna say, do what you wanna do  
Eat how you wanna eat, be what you wanna be  
Live how you wanna live, give what you wanna give  
Play where you wanna play, stay where you wanna stay
