I would never let go  
I love you so  
I just want you to know  
If I have to go  
My love would grow  
The further I go  
My love will grow  
So tall you will see it from far  
It will shine like a- shine like a star

Who would I need to succeed: you  
Who would I need to be with me: you  
All I need would be you  
You, is this true,  
So much is new  
IÄ´m with you  
Who would I need to succeed: you  
Who would I need to be with me: you

I would never let go  
I love you so  
I just want you to know  
If I have to go  
My love would grow  
The further I go  
My love will grow  
So tall you will see it from far  
It will shine like a - shine like a star

Wie soll ich dir danken fÄ¼r die Tage  
Die du mir so beigestanden bist  
Auch wenn ich weiÄ  
Dass so etwas groÄes  
wie die Liebe zwischen uns ist

Ich bewunder dich,  
denn du liebst und IÄsst lieben  
Ich bereue nichts, wenn wir fliegen,  
lass ich liegen  
Was hinter mir ist  
Ist auch in mir gewiss

Und ich tãusche die List  
Die dir auflauert in den Nãchten  
Ich halte die Frist  
Die gesetzt von den Mãchten  
Bist du bei mir bist  
Werd ich alles ausfechten

I would never let go  
I love you so  
I just want you to know  
If I have to go  
My love would grow  
The further I go  
My love will grow  
So tall you will see it from far  
It will shine like a - shine like a star
