Refrain: We're driftin' apart.
We're thrown back to the start
Wo driften wir hin,
Gotta press start to begin,
To get the soul right back in

I'm overlooking both sides of the moon,
For Jah comes soon
Cruise against these legions of doom
Til' the smoke of all joints can croon
Wã¼rdsch gern ruhn awwa jetzt gehts erschd
rischdisch los
Unn glab ma dei versage is gross, rischdisch gross
Unn uff da ganze lã¼ng hã¼r da'se ã¼, die klã¼ng
mit denn isch uff die strosse drã¼ng,
Wie isch misch mit Bill Finger und Herr Berger in die
Boxe
Neizwã¼ng ihr braucht ã¼ ganze Boxegass,
Wenn ihr besseren Scheiss machen wollt schon
frã¼her aufstehn
Net ausgehn un feiern unn am negschde Tag
Schlechte Texde ins Mikro leiern Jah live upon Mount
Zion

We're driftin' apart.
We're thrown back to the start
Wo driften wir hin,
Gotta press start to begin,
To get the soul right back in

Most of this is playin in my heart,
But this is most of what I see
It won't help calling it odd,
'Cause it is much to real to me
Well, I can wheep like the wind and crush down on my
tears
I was held down by the weight of all my fears

We're driftin' apart.
We're thrown back to the start
Wo driften wir hin,
Gotta press start to begin,

To get the soul right back in
