Let Me Be

(Xavier Rudd)

oh,uuh,uh,uh

Let me be now oh oh let me be cause

I want to be free now ow ow free to see now

I want to walk away ow ow let me feel my feet

Let me be free

Time and time and time we see

These acts against humanity

Each for each and each will bleed

And shed blood for what they each believe

On and on and on we go

Some will you see and some won't be

True to you and truth will lead

You to a sense of o now..peace

Let me be now oh oh let me be cause

I want to be free now ow ow free to see now

I want to walk away ow ow let me feel my feet

Let me be free

Time and time and time we see

These acts against humanity

Each for each and each will bleed

And shed blood for what they each believe

On and on and on we go

Some will you see and some won't be

True to you and truth will lead

You to a sense of o now... peace

Let me be now oh oh let me be cause

I want to be free now ow ow free to see now

I want to walk away ow ow let me feel my feet

Let me be free

wanna be wanna see would u let me go
