YOU'RE DRIVING ME CRAZY - 25/05/1961

1 week at #1 - 16 weeks on chart

You left me sad and lonely
Why did you leave me lonely
'Cause here's a heart that's only for
Nobody but you

I'm burning like a flame dear
I'll never be the same dear
I'll always place the blame dear
On nobody but you

You, you're driving me crazy
What did I do
Oh what did I do
My tears for you make everything hazy
Clouding the skies of blue

How true
Were the friends who were near me to cheer me
Believe, me they knew
That you
Were the kind who would hurt me
Desert me, when I needed you
You, you're driving me crazy
What did I do to you
