

## Saint Alvia Cartel, The "Don't Wanna Wait Forever"

Startin' out with something  
As I climb the trips  
Miles in the horizon  
And never looking back  
I lie, tasted like  
And even paid my dues  
I wanna ride the back crew  
And let me see it new

Don't wanna wait forever  
Don't wanna waste my time  
Don't wanna wait for something to come  
And never pass me by

Don't wanna step in front  
Don't wanna cause a scene  
I need to stop getting hurt  
I need to get back to work  
I'm tired of kickin' up dirt  
I'm tired of makin' it worse  
I wanna see the sunset  
I wanna live this world

Don't wanna wait forever  
Don't wanna waste my time  
Don't wanna wait for something to come  
And never pass me by

Don't wanna wait forever  
Don't wanna waste my time  
Don't wanna wait for something to come  
And never pass me by
