Lyrics/Music L.Pollack

My dear Radio Audience

Now I shall do

Some of the songs

I've had the pleasure

Of introducing to you

It was not so very long ago

When you heard this little ditty

On your ra-di-o

On The Good Ship Lollipop

It's a sweet trip to a candy shop

Where bon bons play

On the sunny beach of peppermint bay

And do you remember?

Animal Crackers in my soup

Monkeys and rabbits loop the loop

Gosh oh gee but I have fun

Swallowing animals one by one

And I never ever will

Forget my grandest thrill

The very first time that I sang

An Ordinary day
Becomes a holiday
When I'm with you, hmm hmm
I have lots of toys
But I don't want to play
Yes and I'll never forget it
I sat in my Daddy's lap and whispered
Oh Daddy how I miss you
Your busy all your life
I love to hug and kiss you
Marry me and let me be your wife
Ahhhh but it's great to reminisce
When I sang to my little Dutch Dolly
Just Like this
Sometimes I ought to hasche (hate) you
You make me feel so vlue (blue)
But honest I can't hate you
When you smile at me my lovely poopjan
Auckks mine goodness
Tick Tick Tick
The clock is ticking the hours away
And so my radio audience
The time has come, for me to say
Goodnight my friends
The tired old moon is descending

Goodnight my friends

My moment with you now is ending

Whistles

And So I must leave you

With kindest regards from Rebecca and Crackly Grain
Flakes

The Grain Flakes that makes your tummy say Yum Yum
Yummy

I want all my little friends to close their eyes and dream

For in the morning

It's Crackly Grain Flakes with sugar and cream

Eat it with a smile and life will be worth while

And now in conclusion

Please join me in singing my theme

Goodnight my friends

Sleep tight my friends

God bless you pleasant dreams

Nightie night
