Lyrics/Music S.Mitchell/L.Pollack

You know what?  
I bet you don't know what day this is  
You forgot, I bet you that it left your head  
You know what?  
I bet you I know what day this is  
'Cause I've got the calendar marked in red

Blow your whistles  
This is Curly Top's birthday  
Ev'ry girlie and boy will get a toy  
And lots of candy and cake

Shake your rattles  
'Cause it's Curly Top's birthday  
With a hop and a skip  
We'll board the ship up on the lemonade lake

Old "Captain January" will smile and welcome you  
He'll sail the "Good Ship Lollipop" and we will be the  
crew

Beat the tin pans  
This is Curly Top's birthday  
From the ends of the earth  
A happy birthday to you
