Lyrics/Music T.Koehler/J.McHugh

The Louisiana moon is shining

On the starry sky, alone

The lonesome an' the old are waiting

And the lady loves, hmmm

While the shades of night are falling

You can hear them softly calling

Dixie-Anna

Oh Miss Dixie-Anna

Don't keep me waiting

If you want to come out tonight

Roll and shinin'

And my heart divin'in'

Come on and meet me in the moonlight

Can't you understand

Love is in the air

Love pretending there rolling everywhere

Dixie-Anna

Oh Miss Dixie-Anna

Don't keep me waiting

If you want to come out tonight

Lone and shining

And my heart inviting

Come out and meet me in the moonlight

Oh Dixie-Anna

Don't you keep me waiting

You know that ain't right
