Lyrics/Music S.Mitchell/L.Pollack

(Sung by Shirley but not used in the film)

What do we all read a story book for

What do we look for, when it is through?

What does every Cinderella sigh for

What does she try for, till dreams come true?

Happy ending, with all our troubles behind

Happy ending, that's what we're trying to find!

Why didn't Cinderella waver? What made her braver?

She knew the Prince would come and save her!

Happy ending, the best of wonderful times

Always ending, just like in nursery rhymes!

May each thing you pray for bring you

Joy and laughter, ever after

Happy ending to you all!

Happy ending, with all our troubles behind

Happy ending, that's what we're trying to find!

Why didn't Cinderella waver? What made her braver?

She knew the Prince would come and save her!

Happy ending, the best of wonderful times

Always ending, just like in nursery rhymes!

May each thing you pray for bring you

Joy and laughter, ever after

Happy ending to you all
