Lyrics/Music S.Clare & B.DeSylva

Oh I eat watermelon and I have for years

Sing Polly Wolly Doodle all the day

I like watermelon but it wets my ears

Sing Polly Wolly Doodle all the day

Maybe grass tastes good to a moo cows mouth

Sing Polly Wolly Doodle all the day

But I like Chicken cos I'm from the South

Sing Polly Wolly Doodle all the day

Fare thee well, Fare thee well

Mr Gloom be on your way

If you think you're gonna worry

You can stop it in a hurry

Sing Polly Wolly Doodle all the day

Oh the wood pecker pecks till he gets his fill

Sing Polly Wolly Doodle all the day

But the woodpecker pays cos its on his bill

Sing Polly Wolly Doodle all the day

Oh I feed my pigs from molasses yam

Sing Polly Wolly Doodle all the day

So they should be sweeter than they really am

Sing Polly Wolly Doodle all the day
Fare thee well, Fare thee well
Mr Gloom be on your way
Though you haven't any money
You can still be bright and sunny
Sing Polly Wolly Doodle all the day
Oh, I hate to hear a chocolate drop
Sing Polly Wolly Doodle all the day
But I like to hear a Lollipop
Sing Polly Wolly Doodle all the day
Every thing went wrong but it turned out right
Sing Polly Wolly Doodle all the day
The skies were grey but the future's bright
Sing Polly Wolly Doodle all the day
Fare thee well, Fare thee well
Mr Gloom Be on your way
Never listen to the devil
Simply be a little rebel
Sing Polly Wolly Doodle all the day!

A Polly is a parrot, we all know well
But just what a Wolly is, I can't tell
I wouldn't know a Doodle, if one came along
But Polly Wolly Doodle, makes a darn good song
