Lyrics Sidney Mitchell and Lew Pollack

Have you heard

Have you heard

There's a new tooter in

With the Tin pan parade

Pass the word

Pass the word

'Cause it's some toy trumpet brigade

Come along

Come along

If you're soon enough

You'll hear him do his stuff

Hurry up

Hurry up

They will soon be here

They're getting nearer

Here they come

Here they come

Hear the hum of the drum

Of the Tin pan parade

Better run

Better run

'Cause it's some toy trumpet brigade

Here they are, there's the leader

Passing by , aint he grand

He's the star, he's the leader of the band

There he goes with his trumpet

Tootin' high, tootin' low

When he blows he's a rootin', tootin' dandy

Tootin' low

Tootin' high

He's a new tooter in

With the Tin pan parade

There they go

Passing by

That was some toy trumpet brigade
