Lyrics/Music W.Bullock/H.Spina

We should be together

Like the walls and ceiling

Like a door and doorknob

Like the hat on your knob

Like butler gold with doorbell

Keyhole with key

I think we'll get by

If you'll stick with me

We should be together

Like the frame and picture

Like shoes and stockings

Like the clocks tick tockings

Like captain told like high and low

Shop and go honey

Your a perfect lady

Your a regular guy

We should be together, you and I

Your a cup of coffee

Your a peachy pie

We should be together, you and I
