Lyrics/Music Thornton

I loved you as I've never loved before

Since first I met you on the village green (the village green)

Come to me ere my dream of love is o'er

I loved you as I..(aww that's terrible *complaints*...)

[Dialogue Part]

(Man)

Just a moment now, I was standing right here, someone was a

little bit sour...

(Shirley)

It was you!

(Man)

What? Well, what do you know about music? (mock laughter)

Well of all the impertinence...

(Shirley)

You were off-key, that part goes like this

'I loved you as I loved you, when you were sweet...'

(Man)

That's just the way I did it..

[Oh no...disagreement from the other guys]

(Man)

I did!

(Shirley)

Let's try it again

(Man)

All right you take it

(Shirley)

I loved you as I loved you, when you were...

(Together)

Sweet...when you were sweet...sixteen

(Laughter
