Too many movies, too many cigarettes
Too many songs about the way it all could be
Too little time, to let go and say it all
I have been wondering how it still remains
A simple Plan, to give up and never leave
The more it shows, the more it makes us bleed

Remaining empty for a longer time can change the
scars
You can but see, how many times, you were right
But we live, and the more we live
We give and the more we loose
So at times when I have to fly
I dream a little to Justify the need,
That I'm not crazy
I roam around the open world
and keep these eyes as open as can be

Coz I'm not blinded to feel
I'm not that crazy

and all this time,
I tried while I stayed
and not to find,
the sun won't shine
like on a rainy day,
I don't mind to wait
I don't mind to wait,
N I don't mind to wait

I don't mind, hearing footsteps that never walk by
Feeling sweetness with a taste that goes dry
Have you heard from me while I walk by

and all this time,
I tried while I stayed
and not to find,
the sun won't shine
Like a rainy day,
All this time I stayed
and not to find

The sun won't shine
The sun won't shine
