You Were Laughing
When I Was Leaving
Bet You Were Counting Stars Till You Could Ignore
I Kept On Wondering,
While You Had Stopped To
Figure Out Just Why It Went Wrong
Why It Seemed Right
When Everything Was Good As It Was

Chorus

But If Am Knocking
Then You Wont Listen Now
I Know I've Faded Far Out Through Your Mind

Yes I Had Drifted
But I Was Holding On
How Would I Know It Would Feel So Strong

We Kept Each Other, Apart To Be There.
Where We Would Feel Just Close But Not Subdued.
I'm Still Repeating, Over Completing
All That Went Through Me, That I Could Not Just Show
To You

Chorus

But If Am Knocking,
Then You Wont Listen Now
I Know I've Faded Far Out Through Your Mind

I Know We Suffered, See I'm Still Suffering Now
But Then I Know I Have To Let Go Sometime
It's Getting Late And Years Go By Light Speed
I Will Crawl Out Of This All When I'm Complete
I'll Be Holding On To Nothing But Myself
I'll Be Moving On,
Moving Oon. Moving Ooon

Chorus

But If Am Knocking
You Won't Listen Now
I Know I've Faded Far Out Through Your Mind
Yes I Had Drifted
But I Was Holding On
How Would I Know It Would Feel So Strong
It Would Feel Soo Strong, Would Feel So Strong
It Would Feel Sooooo, Strong
