Fast car on a highway  
The music that you hear in your ears makes u wonder  
All the things that u wanna leave behind  
All the things that you're rushin to

Your not a rock star  
But u can see your self up there  
Under the bright light you feel you're the reason

Chorus

Throw away that bag of gold  
Listen to what your music holds  
It's a melody only you can feel  
You're about to be the king of self  
O self

You've got a fast car  
But you're not a Rockstar  
It's easier just to be the way you are  
Don't find a reason for what you want so bad  
Coz what you want is what you want  
Now you're on the spot

Chorus

Throw away that bag of gold  
Listen to what your music holds  
It's a melody only you can feel  
You're about to be the king of self  
O self

Just a fast car  
Wish I was a rock star  
Rock star  
Be a fast car  
Be a rock star  
Be a fast car (X2)  
Be a rock star

Chorus

Throw away that bag of gold  
Listen to what your music holds  
It's a melody only you can feel  
You're about to be the king of...

Chorus X2

Throw away that bag of gold  
Listen to what your music holds  
It's a melody only you can feel  
You're about to be the king of self

(Only 2nd time) O Self

Throw away that bag of gold (X5)
