If I stumble for you this time,  
Would you follow me around?  
Can't you see that loneliness is,  
Bringing me Down.

If I anger you my innocence,  
If I let you plead,  
If I held you not so close then,  
I was incomplete.

(Chorus 1)

Could u feel it?  
While I melted  
You could've been my home  
But now we live alone  
A part but face to face and you're my happinessâ€¦

(Verse 2)

Sowing sorrows where my foot steps,  
Caring me to break,  
To leave me is leave you,  
I know you can't do,  
Leaves you no graceâ€¦

(Chorus 2)

Can't you feel it?  
You cant leave it,  
We need to be alone,  
But not so much to know,  
That we're apart but face to face and you're my  
happinessâ€¦

(Post Chorus)

So don't let me down 'cos I wont throw,  
A hope that I held when there was no more,  
So come from within and let me show,  
A smile that you stole, you never could hold

Take out the hate, it just couldn't breathe,  
Am open to you, be open to meâ€¦
