You cant
You out from brooklen
Queens
I cant, forget the hat
You wanna tell a little stopry about where they come
from
That's my name
Total eclipse
Represent the brooklem all knights
Do what i
That's high
Feel the real rythme dial comming through
The wisest
The xmen
Calling youself cutting, but you aint cutting nothing
To whom it may concern this goes out to the dodgers
Good DJ's
You can bet it in your wildest dreams
Rob swift
Straight from queens
No doubt
Had to represent
From queens
The place to be
Mutherfuckers
Your comming from queens
You wanna battle, you don't wanna battle me
Yellow mal
Back to the galaxy of queens
I am so..
Homicidal harlem
Wait i got the funk
From up town
Break it down you fools
All across the cut
If you don't like it and you wanna step up
Ill burn that ass
This goes out to manhatten
But not how you making it
For real
This goes out to

Queens
Listen to a while for the name of the place
This goes out to
Brooklyn
Word up
Brooklyn in the back shooting crack now wussap
One other thing
We are... the
New york
