[intro]

I knew I was being threatened
Do you think it's worth holding out
I mean Ive heard some pretty ugly things about those
guys
Ugly stories

(electric guitar starts)

Watch them flee.. watch them flee *scratches*
Rap up *scratches*
Watch them flee *scratches*
Hip-hop hits *scratches*
And you do it like this

(mike shinoba)

[verse 1]

Its going down
The rhythm projects round the next sound
Reflects the complex hybrid dialect now
Detect the mesh of many elements compressed down
The melting pot of a super-futureesque style
The combination of a vocal caress
With lungs that gasp for breath
From emotional stress
With special effects
And a distorted collage
Carefully lodged between beats of rhythmic barrage

[pre-chorus](2x)

Its going down
The logical progression on a the timeline
The separation narrowed down to a fine line
To blur the edges so they blend together properly
Take you on an audible odyssey
Now it's going down

[chorus](2x)

Put put.. put it up *scratches*
I said it goes like this *scratches*
And you do it like this *scratches*
Its going down

(mike shinoba)

[verse 2]

Once again it is

Composed sentences all together venomous

The four elements of natural force

Projected daily through the sound of the source

Everybody on board with this blend

The sword with the pen

The mightiest is the weapons

Swinging right from the chin

The elevate of mental states

Long gone with the wind

To defend men for shoddy imitation pretends

Its going down

Stalence emulation readily

Trekking through the weaponry

Of the pure pedigree

Cleverly seeing through whatever is ahead of me

Whatever the weather be

We invent the steadily

Its going down to sub-terrestrial high

I rhyme regiment that's calling the shots

Execution of collaborative plots

Ready to bring the separation of style to a stop

[pre-chorus]

Its going down

The logical progression on a the timeline

The separation narrowed down to a fine line

To blur the edges so they blend together properly

Take you on an audible odyssey

Now it's going down

[chorus](2x)

Put put.. put it up *scratches*

I said it goes like this *scratches*

And you do it like this *scratches*

Its going down

(x-ecutioners)

X-men bout to blast of world wide *scratches*

Yo it's request only *scratches*

X-men bout to blast of world wide *scratches*

Its built from scratch

Album in stores soon

Bout to blast off world wide *scratches*

And you do it like this

Its going down

[chorus](2x)
Put put.. put it up *scratches*
I said it goes like this *scratches*
And you do it like this *scratches*
Its going down
