Not gonna where my halo today

Goin out with the boy's and play

It doesn't mean our love has changed

It's always been this kind of strange

Down the street for pool and beers

Same ole shit for years and years

But you won't see me cryin wouldn't change a thing

This has always been a part of my dream

(chorus)

A little angel told me that god done sold me

Lost my soul playin cards cause he wasn't tryin hard

(repeat)

Im not a real bad guy

I say with a smirk and then a sigh

Just like a little trouble now and then

Just like my dad and his before him

(chorus
