way that ur groovin  
way that ur movin  
girl u gonna make me lose my mind  
things that ur doin  
luv everything about u  
dont wanna b without u  
i see u standin there... u look so fine  
my dil goes mmm mmm mmm (x4)

way that ur playin  
things that ur sayin  
boy u gonna make me lose my mind  
say that ur stayin  
theres just sumthin about u  
cant stand to b without u  
the magic that u do plays on me fine  
my dil goes mmm mmm mmm (x4)

yeah... this drive was meant to b  
yeah... ur still the one for me  
yeah... im sayin wat i feel  
yeah... i know this luv for real  
drivin me crazy with all of ur ups and downs  
rockin me... shockin me... spinnin me round n round  
theres just sumthin about u  
cant stand to b without u  
n everytime i see u by ma side  
my dil goes mmm mmm mmm (x4)

girl... uve got me such a tease  
yeah... u got me on my knees  
girl... u got it goin on  
yeah... u can do nothin wrong  
the way u look at me magic is all around  
uve got a grip on me... im spinnin round n round  
luv everythin about u  
dont wanna b without u  
n everytime i see u by ma side  
my dil goes mmm mmm mmm (x4)
