As I sit looking out the window
I can still remember
They called me to tell me you went away
It was such a cold day
On a Sunday morning it came without a warning
And all the pain I felt inside
Though many times I've tried
Can't get you off my mind

CHORUS

I'm thinking of you
Wonder where you are tonight
I wish that I could hold you tight
I'm thinking of you
I wish you could stay but you're so far away

So Far away

And even though you're gone
I know you're happy where you are
And I know someday
We'll be together again - together again

On a Sunday morning it came without a warning
And all that pain I felt inside

CHORUS

So far away

I know someday I'll hold you again
You and me - together again
But until that day, I'm thinking of you

I'm thinking of you
Wonder where you are tonight
I wish that I could hold you tight
I'm thinking of you
I wish you could stay but you're so far away repeat 2x

So far away
