Even though I see no way
The Lord will create a way
Where there seems to be no way
I will not be afraid
For the Lord is my Shepherd
And I shall not want

I may be walking through fear
I will not entertain it
For the Lord is my shepherd
I shall not want

Chorus
The Lord is my shepherd
I shall not want
He will create a path for my name sake
I will fear no evil
For His rod and staff will comfort me
In the presence of my enemies
The Lord God Almighty
Will set a table before them

For me to feast in front of them
I will allow my enemies to tackle me
I will not show any fear
I will let God fight my battles
Show my enemies
Who is boss?
The Lord is my shepherd
I shall not want

Though I might be in the middle of a fork
In the road of life
But in faith
Shall I put my trust?
Within the Lord God Almighty
Creator of all things
For the Lord is my shepherd
I shall not want

If God is for me

Then you shall come against me
Enemies can scare me
But; the Lord is my refuge
