let me tell you about a little g name tab little kid all
ways flex his

abs leting you know he ant no joke hill make ya chock
five

mins before you say no hill make bow down to his toes
roll over punch you in the nose

tell ya moma you her daddy tell her husben you *****ed
his wife and ya'll be with her tonite

you and her all ways fight except for once a nite some
times your kids call me daddy leting them no

am no well gotta go much love to ya'll shorties pice out
