Changes, reasons, controlling, but still one problem
I bite the hand that feeds itself
No give and take it's all take with you
I understand your twisted mind
My trust in you faded, no faith just paranoid
I bite the hand that feeds itself
No give and take it's all take with you
I understand your twisted mind

A word has never meant so much
So much hate and so much pain
I see you for what you are
I trusted you, believed in you
I have no time for you my friend
New lease of life, like then no fucking compromise
I bite the hand that feeds itself
No give and take, it's all take with you
I understand your twisted mind

A word has never...
