American Dream

[VERSE 1]
You stand in the line
You're running out of time
You wanna become
Who you're not
Hurry up

You get upset
You got a lot of nerve
Fixing your hair
Lickin lips
Time is up

You gotta a point
of no return
Now i am here
It's my turn
The volume up

You are all set
That's all your' re gonna get
I wanna forget
No regrets
I give up

What if a Barbie doll gets messed up,
Put on weight and dye the hair black?
Nobody's forcing you to give up
You have to accept, you are who you are

Shake shake
I wanna shake the whole room up
Rise rise
I'm gonna rise like a fallen star

[CHORUS]
Dance to the beat
Move to the groove

Get up and live
American Dream

A.K.U.A.R.I.U.S

[VERSE 2]
Babe babe
I've got anger
You can do it
So much better

I don't know your name
You wanna play my game?
I'll be on top
Never stop
Live it up

I m gonna be brave
and have no shame
Be top of my game
There's no rules
I brace up

Forget all the things
that make you sad
Leave them behind, dance
Pick yourself up

What if you never be on TV
Never be famous, never be free
Nobody's forcing you to give up
you have to accept, you are who you are

Dance dance
I wanna dance to that heavy beat
Heat heat
I wanna sweat, forget & live

[CHORUS]
Dance to the beat
Move to the groove
Get up and live
American Dream

A.K.U.A.R.I.U.S

Smoke all around
Bodies on the ground
Seems like I care
Smoke in the air

A.K.U.A.R.I.U.S
Dance to the beat
