Damnedest of the damned
Outcast among outcasts
Retreat into your land
A hate-bred maelstrom bloomed

Beneath the survival instinct
Infantile sex regression
Here the root causes of sodomy lie

Damnedest of the damned
Outcasts among outcasts

Sickened sodomites are slain
Ridden of their home and hearth
Beneath the inquisitory zeal of De Mepsche

In retrogressive phallic worship
Jewish archetypes are found

Beneath the inquisitory zeal of De Mepsche
The curse of Gomorrah
Sickened sodomites are slain
Beneath the survival instinct
Infantile sex regression
Here the root causes of sodomy lie

Sickened sodomites are slain
Ridden of their home and hearth
Beneath the inquisitory zeal of De Mepsche
In retrogressive phallic worship
Jewish archetypes are found
Beneath the inquisitory zeal of De Mepsche

For sixty years

The priest curbs not his desires
In sixty lashes disciplined by brute force
In Flossenburg was rekindled the past
Ghosts of Flossenburg

Human targets in perfect formation

in Sachsenhausen
Painfully, red hands shoveled the snow
It is gone

The riddance of Assyrite's king
Beholden to the Jewish star
Pervasive sodomitical confederacy
Executions curtail dogged buggery
