"Billie Jean"

She was more like a beauty queen from a movie scene
Said, "Don't mind but what do you mean I am the one
Who will dance on the floor in the round?"
Said, "I am the one who will dance on the floor in the
round"

People always told me, "Be careful of what you do
Don't go around breaking young girls hearts"
Mother always told me, "Be careful of who you love
Be careful of what you do 'cause the lie becomes the
truth"

Billie Jean is not my lover
Just a girl who claims that I am the one
But the kid is not my son

She told me her name was Billie Jean
As she caused a scene
Then every head turned with eyes that dreamed of
being the one
Who will dance on the floor in the round

People always told me, "Be careful of what you do
Don't go around breaking young girls hearts"
Mother always told me, "Be careful of who you love
Be careful of what you do 'cause the lie becomes the
truth"

Billie Jean is not my lover
Just a girl who claims that I am the one
But the kid is not my son
Says I am the one but the kid is not my son
