There's A Hero When you look inside your heart you
dont
Have to be afraid of what you are. There's an answer
when you reach into your sole and the sorrow that you
know will dissapear

Chorus ;

And then a hero comes along with the strength to carry
on and you cast your fears aside and you know you can
survive so when you feel like hope is gone look inside
you and be strong and you'll fin'lly se the truth that a
hero lies in you

its a long road when you face the world alone no one
reaches out a hand for you to hold you can find love
when you search within yourself and the emptiness you
felt will melt away

And Then a hero comes along.....

Lord knows dreams are hard to follow but dont let
anyone tear them away
Hold on there will be tommorow in time you'll find a
way

And Then A hero comes along.....
