Looking into your eyes I see a paradise
This world that I found is too good to be true
Standing here beside you want so much to give you
This love in my heart that I'm feeling for you
Let them say "We're crazy", don't care about that
Put your hand in my hand, baby, don't ever look back
Let the world around us just fall apart
Baby, we can make it if we're heart to heart
And we can build this dream together, standing strong
forever
Nothing's gonna stop us now
And if this world runs out of lovers, we'll still have each
other
Nothing's gonna stop us, nothing's gonna stop us now
I'm so glad I found you, I'm not gonna lose you
Whatever it takes I will stay here with you
Take it to the good times, see it through the bad times
Whatever it takes is what I'm gonna do
Let them say, "We're crazy", what do they know?
Put your arms around me, baby, don't ever let go
Let the world around us just fall apart
Baby we can make it if we're heart to heart
And we can build this dream together, standing strong
forever
Nothing's gonna stop us now
And if this world runs out of lovers, we'll still have each
other
Nothing's gonna stop us, nothing's gonna stop us now
All that I need is you
All that I ever need and all that I want to do
Is hold you forever, forever and ever
And we can build this dream together, standing strong
forever
Nothing's gonna stop us now
And if this world runs out of lovers, we'll still have each
other
Nothing's gonna stop us, nothing's gonna stop us
And we can build this dream together, standing strong
forever
Nothing's gonna stop us now
And if this world runs out of lovers, we'll still have each
other

Nothing's gonna stop us
And we can build this dream together, standing strong
forever
Nothing's gonna stop us now
And if this world runs out of lovers, we'll still have each
other
Nothing's gonna stop us, nothing's gonna stop us now
