"The Way You Look Tonight"

Some day, when I'm awfully low
When the world is cold
I will feel a glow just thinking of you
And the way you look tonight

Oh but you're lovely with your smile so warm
And your cheeks so soft
There is nothing for me but to love you
Just the way you look tonight

With each word your tenderness grows
Tearing my fear apart
And that little laugh that wrinkles your nose
Just touches my foolish heart

Lovely never, never change
Keep that breathless charm
Oh won't you please arrange it?
'Cause I love you just the way you look tonight
Just the way you look tonight
