I'm wishing on a star  
to follow where you are  
I'm wishing on a dream  
to follow what it means

And I wish on all the rainbows  
that I see  
I wish on all the people who  
really dream

And i'm wish on tomorrow  
pray it never comes  
I'm wishing on the love the things  
we never done

I never thought i'd see  
a time when you would be  
So far away from home  
So far away from me

Just think of all the moment  
that we'd spend  
I just can't let you go for me  
you were meant

And I didn't mean to hurt you  
but I know  
In the game of love you reap  
what you sow

I feel this time we should make up, baby  
I feel it's time for us to get back together  
And make the best of things, oh baby when we're  
together  
Whether or never

I'm wishing on a star  
to follow where you are  
I'm wishing on a dream  
to follow what it means

And I wish on all the rainbows

that I see  
I wish on all the people who  
really dream

And i'm wish on tomorrow  
pray it never comes  
I'm wishing on the love the things  
we never done

Wishing on a star (oh, wishing on a star)  
to follow where you are (oh any where you go)  
Wishing on a star (i'm wishing on a star)  
to follow where you are (to anywhere you go)
