1. I know you know that I have magic fingertips
2. You know, it's true, you can't resist my tasty lips
3. Now can't you see that I can make you lose control?
4. You know the score: I win, you lose. Just like before

Games all the games I like to play
Make you love me night and day
If you win I will obey
But I know you won't so

- A. I'll let you stay if you be good and you behave
- B. You must agree, it's fun to live your fantasies
- C. Now look at me, I'm lying naked on the floor
- D. Get on your knees and beg me please to give you more

Games all the games I like to play
Make you love me night and day
If you win I will obey
But I know you won't so

Take you to my magic tower
In my land of make believe
All sweet lovin' in my power
You won't ever want to leave
Take you to my magic tower
In my land of blue and red
All sweet lovin' in my power
You're the prisoner of my bed
