LOT OF FUN

i'm going to my hometown yeah,here we go

going back to my hometown
have a night out there
back to few old haunts
it make me smile yeah

i drove round past the old house
where i use to live
past around the old baptised church
it remind me all my life

chorus
there was a lot of fun
there was a lot of fun
there was a lot of fun back in hometown
yeah yeah yeah,yeah yeah yeah yeah yeah

it was great to see
the old house still standing there
where the girls used to hang
and everybody feels alright

chorus
