YOUR MEDICINE  
EVERYTIME I SAW U PASSING BY  
I GOT THE SINDROME OF SOMETHING I DONT KNOW  
AND ITS A FEELING I CANT EXPLAIN  
U TOO BEAUTIFUL SO BEAUTIFUL

ANYTIME WE MELT I LOST MY WORDS  
ANYTIME I SAW U WE GOT THE SMILE

DO U FEEL THE WAY I FEEL  
OR ITS A BEGINNING OF A SERIOUS DECEASE  
DO U EVER THINK OF ME  
NEED YOUR MEDICINE

AFTER U GONE AWAY I FEEL LOST  
AFTER U GONE I FEEL LOST  
AND IT SEEMS THERE'S SOMETHING  
FORCING ME TO SAY HELLO  
OH BABY WHAT I'VE DONE TO U,  
WHAT I'VE DONE TO U
