Bye bye captain you'll never forgett my face
Sweet sweet captain sing sing and call my name
Tell me captain about our love
Say say captain, what do you want?

Bye my captain
Fly my captain
Bye my captain
Fly my captain

Bye bye captain kiss me and play the game
Swim swim captain sing sing and call my name
Stay stay captain never leave me alone
Tell me captain, what do you want?

Bye my captain
Fly my captain
Bye my captain
Fly my captain

Bye my captain
Fly my captain
Bye my captain
Fly my captain
