If I didn't know better  
I'd hang my hat right there  
If I didn't know better  
I'd follow you up the stairs

Stop saying those sweet things  
You know I like to hear  
The horns are blowing louder  
The bailiffs drawing near

Why do I keep drinking  
Wasting my time on you  
If I didn't know better  
Well, dammit, I do

There's a hole in what you're saying  
I can plainly see you've a lover that's waitin  
But baby you're right here with me

Ooh you might as well be the devil  
Oh keeping me out past three

Well you're the one with that apple  
But baby, you can't blame me  
Oh why don't you keep drinking  
Give me one night with you

If I didn't know better  
Well dammit, I do

Why do i keep drinking  
Wasting my time on you  
If i didn't know better  
But dammit, I do

Ooo baby I doBaby you're right here with me  
Sweet daddy you know i do
