There ain't no chains strong enough to hold me  
There ain't no breeze big enough to slow me  
Never have seen a river that's too wide  
There ain't no jails tight enough to lock me  
Ain't no man big enough to stop me  
I'll be there if you ever want me by your side

So love me if you're ever gonna love me  
I never have seen a road too rough to ride  
There ain't no chains strong enough to hold me  
There ain't no breeze big enough to slow me  
I'll be there if you ever want me by your side

There ain't no ropes strong enough to bind me  
Look for me, honey you will find me  
Any old time you're ready with your charm  
I'll be there ready and a waitin'  
There won't be any hesitatin'  
I'll be here if you ever want me in your arms

So love me if you're ever gonna love me  
Never have seen a road too rough to ride  
There ain't no chains strong enough to hold me  
There ain't no breeze big enough to slow me  
I'll be there if you ever want me by your side
