Oooh, aaahh  
Aaaah, Aaaah oh

We're on the right road.  
Stakes getting higher  
Bled out from trying  
To keep it together

The look that befalls us  
Has bent over slightly  
More than what you were  
Willing to give me

The bid, can never  
get so high

I don't think you notice me, notice me  
Don't know who I really am, don't know who I am  
Maybe if you lost me, maybe if you lost me  
You would see, you would see

Maybe you're over  
This hyper emission

Takes more than you to  
create an opinion

I'm too proud to understand  
Experiences, messages  
The few things in real life  
Prove to be ageless  
The bid can never get so high

Mmmm....

Mmmm...

Oooh, aaaah  
Aaah

You would see..

OOoh, Aaah  
Aaaah

You would see..
