Daniella,
Don't say be tender first
And don't say teach me
Before you get tied up for your first time

I'm not like that
I'm not so good you will want to
Run away for us

Your black hair is like black hair
Mine I promise is a jerk's hair
Your acne is like a pearl
Mine I swear is a brimstone

I'm not like that
How is it you thought I might be?

I'm not like that
I'm not like that
All I'll recall of you:
A sturdy tongue like a blistered toe
