Every Day Should Be A Holiday

Summertime

I was getting paid

getting drunk

and getting laid

I'd grab the phone

call you up and say

quit your job

cause I've got it made

anytime

baby let's go

every day should be a holiday

super cool

the Dandys Rule Ok

got the dough

and got the raves

anytime

just call me up if you've

got the sun

then I got the waves

anytime

baby let's go

everyday should be a holiday

anytime

baby let's go

everyday should be a holdaiy
