(Make it talk for meeeeeeee)

Make dat pussy, make dat pussy, make dat pussy talk

{*2X*}

(Make it talk for meeeeeeee)

[Kurupt]

I like my pussy chopped and screwed, fuck it fast and
slow it down

I'm smokin a pound from the A-T-L, get my yay in H-
Town

Bottles poppin.. booty poppin

Ass droppin.. hoes topless

Pussy talkin sign language, speakin with her mix

She slide down on the pole like ridin on the dick

Left side her ass go, PUM PUM PUM

Right side go PUM PUM PUM, that's the shit I'm lookin
fo'

Nigga what? She got a trunk full of ass, she high and
drunk

The club packed and throwin money, cause they kinda
crunk

Pop it pop it baby... pop it don't stop it

Just drop it baby (make them hoes go crazy)

[repeat behind Chorus]

Make dat pussy, make dat pussy, make dat pussy talk

{*8X*}

[Chorus - repeat 2X]

Let, me, see, that, pussy, talk

Can, you, make, that, pussy, talk?

Let, me, see, that, pussy, talk

Can, you, make, that, pussy, talk?

[Paul Wall]

Yo, it's Paul Wall

I gotta, go on and lay down the law, I'm well protected

I'm never raw

Open up that jaw, lil' momma, go up and down like a
seesaw
I came I saw I beat it up, I'm known for makin the bed
squeak
My sex game is one of a kind, I'll turn your girlfriend to
a freak
My mouthpiece is top notch, I say some words to make
'em moist
As soon as she hear the Champ's voice
She assume the position, of my choice
While I lay the pipe down like a plumber
And beat up, just like a drummer
And if lil' momma is workin with sum'n I beat that thang
up all summer
I'm known for makin 'em moan, my body language I
speak it well
Put lil' momma up under my spell and when I'm through
she run and tell
I hit it good like a porn star, go long and hard, all night
Give knockdown just how you like, I'm Paul Wall and I'll
fuck you right

[repeat behind Chorus]

Make dat pussy, make dat pussy, make dat pussy talk
{*8X*}

[Chorus]

[Daz]

Make that pussy pop, make that pussy talk
What that pussy sayin girl, stop fuckin 'round stop
playin girl
Now throw it to homey, Dogg Snoop
Act like you know bitch, do what you do
Why you got yo' panties on, yo' girlfriend's in a thong
You don't know right from wrong, blowin balls just like a
bong
All up in the club just pussy poppin
She keep lookin at me, keepin her pussy droppin
5-11, bomb shape, lookin at a nigga like it's nothin
mayne
Lookin at a nigga like it ain't a thang, fast or slow, off
the chain
Got the Paw tattooed on her, he want her, you want her
Tell the bitch just come on over and show me girl, do
som'n
She'll have your balls bouncin back and fo'th like tennis
Her pussy's jumpin on and off the pole like a gymnast
We could all get her, set a down stick thick up in her
Tongue skatin 'cross a nigga dick like Mary Lou Retton
Nah girl you better

[repeat behind Chorus]

Make dat pussy, make dat pussy, make dat pussy talk

{*8X*}

[Chorus]

{*girl moaning to end*}
