Ladies and gentlemen! .. (yeah, she likes dat)  
Bust a nut up in her face (yeah, she likes dat)  
Yeah she like the way it tastes (yeah, she likes dat)  
{We gon' get together throw a party on that pussy}

[Daz]

It seems she want it all the time, can't stop her from  
attackin it  
Professional bitch, she love me when I'm slappin it  
Pussy so wet, no Ko-tex  
She whispered in my ear and said how much she love  
sex

[Kurupt]

Yeah - I seen you do that dance, the way you fit your  
pants  
The way she likes to stand, my dick inside her hand  
She got pretty brown eyes, she's a lawyer  
And real thick thighs so I threw the vibe on her

[Daz]

Tell me am I dreamin if so don't wake me up  
I love the special feelin when I get my dick sucked  
When the tongue hit that vein, take away the strain  
Put it in your mouth girl, won'tcha do your thang

[Kurupt]

2 A.M. throw a party on that pussy  
Do it all again and throw a party on that pussy  
See you like the pussy, I recycle pussy  
All types of pussy, I had some biker pussy, and..

[Chorus]

[Daz]

I said me too, girl go for broke  
Put it in your mouth, won'tcha deep throat

Realize baby girl's a nasty bitch

[Kurupt]

[Daz]

Whip it in your mouth lil' bitch, come and bite dat  
Chew it off, gobble then swallow it

[Kurupt]

And what might crack if we behind closed doors..

[Chorus]

[Snoop Dogg]
