Despair will hold a place in my heart  
a bigger one that you do do do  
and I will always be nicer to the cat  
than I am to you you you you  
dear God, I hate myself  
dear God, I hate myself  
and I will never be happy  
and I will never feel normal  
[don't ask me if this line is about you]  
what do they do there tonight tonight?  
why do they go there alright alright?  
why do they live there [tonight tonight]?  
and why do they live at all alright alright?  
dear God, I hate myself  
dear God, I hate myself  
and I will never be happy  
and I will never feel normal  
why do they live there [tonight tonight]?  
and why do they live there at all alright alright?  
flip off the mirror as protest  
who the F-word are you you you?  
and I will never be happy  
and I will never feel normal  
dear God, I hate myself  
dear God, I hate myself
