oh you could have been a diamond
a flicker in the campfire
but what shall you do now
nothing nothing
YOU WILL DO NOTHING

or you could've been the 13 of spades
destroyer of the jerk-off of hearts
well you know where should you go
nowhere nowhere
YOU WON'T BE ANYWHERE ELSE

i am right - figures
you are wrong - pig oils (?)
holy F holy U holy C-K-O-S-H-A-W-A (?)

or you could've been a modock (?)
the last spring indians (?) in washington
500 or 600 girls like you
spilling their percocet out on the level floor (?)

white nerd
what have you learned
white nerd
you let us down (x2)

or you could've more anti-yourself
so astoundingly unsilent
but make-up over your pimples
will blow us fresh away
la la la la la la

i am unwrong - figures
you are unright - pig oils (?)
holy F holy U holy C-K-O-S-H-A-W-A

white nerd
what have you learned
white nerd
you let us down
white nerd

what have you learned
black nerd
we let you down
