Beginning:

Baby I'm in love
Baby I'm in love

Verse One:

Ah, dont be checking me
Baby I aint free
Maybe on my own but
Im not alone
I got, I got a good thing
Doesnt really matter boy what you have
I dont need no rock to be off the block
No more tears you bring, gonna change a thing
What we have is so real
You dont need to prove to me how he feels

Bridge:

Cuz Im in too deep
To blow a good thing
And one nice mischief
Could cost me everything thing I want

Chorus:

Cuz baby Im in love with the one Im with
Sorry if you dont approve
Ive got plans with the one Im with
Theyre a lifetime of being true
Baby in a different place of time
Baby that I mightve changed my mind
But its like this
Baby Im in love with the one Im with

Im in love Im in love
Im in love Im in love

Verse Two:

Its the cheapest talk and the foolish walk
To be running games, and be hiding things
Behind the one you loves back
Dont be doing him, run like that
Yes its flattering that youre feeling me
But I got to say that its all for me
Theres nothing that I will do (nothing I will do)
To run the risk of losing him over you

Bridge:

Cuz Im in too deep
To blow a good thing
And one nice mischief
Could cost me everything thing I want

Chorus:

Cuz baby Im in love with the one Im with
Sorry if you dont approve
Ive got plans with the one Im with
Theyre a lifetime of being true
Baby in a different place of time
Baby that I mightve changed my mind
But its like this
Baby Im in love with the one Im with

Im in love Im in love
Im in love Im in love-a
