TR, come on,
You're just another woman. WHOO! Yeah!
hmmmm.....You got it!
TERROR! COME ON!

Thalia: Why?
Did I,
Didn't deserve a man so special in my life?
So one of these days
And nights
You're gonna be gone well I didn't wait for Mr. Right.
Baby workin' you....

Thalia:
Thinking about your sexy smile
Or when you
Move your body it just drives me wild
If you feel the need baby tell me now
Because I want you....I want you

Thalia:
Baby, no one else
Could ever want you like I do

Fat Joe:
I'm feeling love in the deepest form
Give you the keys and all
You even helped me when the beef was on

Thalia:
Tell me what you feel
'Cause i'm feeling something real

Fat Joe:
I feel the same way, you make the dogs say,
GIRL I WANT YOU GIRL I NEED YOU

Thalia:
And, you'll see,
That starting a family would be good for you and me
'Cause baby I swear!

No other man could do,
The things that you do when you love me
Oh baby you're my life long fantasy!
So smooth the way you walk
I just love to hear when you talk the talk
So if you feel the need baby let me know
Because I want you.....I want you

Thalia:
Baby, no one else
Could ever want you like I do

Fat Joe:
I'm feeling love in the deepest form
Give you the keys and all
You even helped me when the beef was on

Thalia:
Tell me what you feel
'Cause i'm feeling something real

Fat Joe:
I feel the same way, you make the dogs say,
GIRL I WANT YOU, GIRL I NEED YOU
Slow down dog!
Don't you see me with my girl?
What you thinking it was?
I know you're used to seeing me in the club

Well I changed!
Only got eyes for her
Believe me
Ain't no girl (????????? aqui no se?????)
We can maybe elope,
Have a baby and all
'Cause....I DON'T WANNA BE A PLAYER NO MORE

Thalia:
Baby, no one else
Could ever want you like I do

Fat Joe:
I feel the same way, you make the dogs say,
GIRL I WANT YOU, GIRL I NEED YOU

Thalia:
Tell me what you feel
'Cause i'm feeling something real

Fat Joe:
I feel the same way, you make the dogs say,

GIRL I WANT YOU, GIRL I NEED YOU

Thalia:

Baby, no one else
Could ever want you like I do

Fat Joe:

I feel the same way, you make the dogs say,
GIRL I WANT YOU, GIRL I NEED YOU

Thalia:

Tell me what you feel
'Cause i'm feeling something real

Fat Joe:

I feel the same way, you make the dogs say,
GIRL I WANT YOU, GIRL I NEED YOU

Thalia:

Baby, baby, baby.....
